DEPARTMENT: MEDIA & FILM STUDIES

Both Film Studies and Media Studies are successful options at GCSE and A Level. The department made the transition from GCSE Media Studies to GCSE Film Studies in 2022 to better compliment the well established and very successful A Level Film Studies and A Level Media Studies courses. The department also offers Eduqas A Level Film Studies and BTEC Creative Media courses for Level 2 and 3.

Our aim in Media and Film Studies is to enable students to explore their position as consumers of media texts and technology and to express their creativity through their own production work. We employ a variety of teaching strategies including simulations, textual analysis, discussion and group work. Each component seeks to deepen knowledge of relevant concepts through understanding challenging academic theory and applying it to case studies and where relevant practical or production work. We aim to empower students to engage in critical discourse and analysis; to debate issues relating to ideology and representation by deconstructing popular culture in a way that both celebrates its artistry and illuminates its messages and form. There is a programme of revision courses for all exam classes.

The department is well resourced with two media suites. We have recently invested in a new set of computers with the Adobe Creative Cloud on them and use Premiere Pro and After Effects for digital video editing and Adobe Photoshop and InDesign for digital photo editing. The department also has a selection of DSLR cameras and digital video cameras and tripods, which are updated on a regular basis. These excellent facilities enable each year group to complete their main coursework task, which is predominantly photo editing in Media Studies and Level 2 Creative Media and more video-based work for our Level 3 Creative Media and Film Studies. The department also benefits from the assistance of a full-time experienced Media Technician.

The department is led by the Subject Leader working alongside dedicated Media and Film Studies teachers. Our highly qualified staff are committed to sharing good practice across the department.

A range of clubs are run for different year groups and are especially popular at KS3. As an Arts subject in a school that recently was awarded the highest accolade of 'Platinum' by the Arts Council, the Media department collaborates with other performing arts subjects, for example by integrating moving image into whole school productions and participating in a variety of arts festivities throughout the year.

Year 13 Film Studies	45%	92%

DEPARTMENT: ENGLISH

The English Department at Glenthorne High School is a large, thriving department which places teaching and learning at the heart of what we do. Our chief aim is to develop a pupil's power of understanding and communication, both spoken and written, as an individual, as a member of a group and as a member of a community.

There are currently fifteen English teachers teaching across the age range. All pupils in Years 7 to 11 are grouped by ability in order to provide the most effective extension activities for the highest ability and to provide those working at lower levels additional learning support.

Key Stage 3 pupils follow a common curriculum that staff have all participated in designing. Year 7 students are tested for their reading and spelling ability at the beginning of the year and the English department is supported by the Special Educational Needs department in order to provide extra intervention for those with lower reading ages. We also have two specialist Literacy teachers who provide one-to-one and small group support for those who most need it.

All Year 10 and 11 pupils follow courses leading to both English Language and Literature GCSEs. In 2023, 91% of pupils gained grade 4 or above in Language and 93% in Literature. Year 11 follows the AQA GCSE specification for both Language and Literature. Pupils have the opportunity to continue their studies in the Sixth Form following the AQA Specification A for A-level English Literature. These are popular and highly successful courses. In 2023, there was a 100% success rate in Year 13 for this course with 100% gaining a Grade C or better.

All English classrooms have interactive whiteboards. Access to Information Technology facilities is local, including a wireless network bank of laptop computers, and pupils are encouraged to research and present work with ICT software. Our library also assists pupils with their study skills. Both our Librarian and Learning Resources Manager liaise closely with the department to provide up to date facilities and resources for pupils.

Pupils are encouraged to write and perform for a range of audiences. Recent extra-curricular activities in English include participation in debating competitions, raising funds for charity in Readathon events and entering writing competitions. In addition, pupils enjoy a wide range of educational trips to the theatre as well as experiencing theatre group presentations at school.

GUIDANCE TO APPLICANTS

Please read these carefully before making your application.

THE APPLICATION FORM

Please complete in **black** pen or type. Additional sheets may be used.

The application form will play a key part in whether you are called for an interview, so it is important that you take your time and complete it as fully and accurately as possible.

When selecting candidates for interview we have to base our decisions on the information you give us. The Person Specification is enclosed with this application form. This is a list of the skills, knowledge, qualifications, experience, aptitudes and abilities that are required to perform the job. When we read your application form we will be looking for evidence of examples which demonstrate how you meet the criteria in the person specification. You must include sufficient evidence and examples to show that you meet the requirements.

PERSONAL DETAILS

For monitoring purposes we would ask that you provide the information requested on the Equal Opportunities Monitoring Form at the back of the application form. This form is removed before shortlisting and will be destroyed after monitoring.

CAREER HISTORY

This is the record of your work history. It may include periods of unpaid or voluntary work as well as paid employment e.g. you may include time spent as a carer for one of your family or a voluntary helper in a school. Please account for any gaps in your employment history.

If the title of the position does not make it clear what work you did e.g. twilight crew, canvasser, please briefly describe the main duties.

You may continue on another sheet if you need extra space.

EDUCATION, QUALIFICATIONS, TRAINING

The Person Specification may ask for specific qualifications or training. You should list the relevant qualifications or courses undertaken. Where you have additional qualifications or training, mention these if they relate to your knowledge or skills. Proof of qualifications will be required at interview.

STATEMENT OF SUITABILITY

This section is your opportunity to show us that you meet the Person Specification. Take each criterion of the Person Specification and tell us the details of your knowledge and experiences. Give specific examples of things you have done which demonstrate your ability.

When reading your application, we cannot assume that because you have experience you also have the ability to carry out a task and vice versa. You may have experience of managing staff, but we need to know how you motivated your staff. We don't expect you to have formal experience, but if you can show that you have the ability to do the component tasks, that will be equally acceptable e.g. to organise a meeting you need to be able to: liaise with others, book accommodation, organise refreshments, and compile agendas.

You may already have prepared a CV and want to send that instead of answering the Statement of Suitability. You may send it, but you must also complete the Statement of Suitability. CVs often list the jobs you have had and their responsibilities, but they often do not properly describe your skills and abilities. It is unlikely that we will be able to find enough evidence in a CV alone.

You may use examples and evidence from outside paid employment. You may use examples from voluntary work or your hobbies or interests.

PRE-EMPLOYMENT CHECKS & ONLINE CHECKS

If you are offered the post, the offer will be made subject to receipt of satisfactory references, online check, pre-employment medical clearance, an enhanced DBS disclosure and, for teaching staff, a check on your teaching qualification status. If your referees do not confirm what you have told us, we may want to discuss this with you.

We will ask you to complete an online Medical Questionnaire which will be sent to our Occupational Health

Department. It is their job to make sure that you are fit to do the job we have offered you. In some instances, you may be asked to go for a medical examination. You will also be asked to supply evidence of any qualifications that are required.

All employees are required to have DBS clearance. Unless you have a clearance issued within three months of being appointed, and have had no break in employment, we will require a new check to be carried out.

RELATIONSHIPS

We do not have a policy of excluding people who are related to school staff, Trustees or Governors, but if you are related to someone we will make sure that they are not involved in the selection process for this post. If we find out after you have been appointed that you are related to someone who interviewed you, we may dismiss you. 'Related' includes co-habiting with someone.

INTERVIEWS

Glenthorne has a policy of using a wide range of selection methods to assess whether people meet the criteria. All teaching staff will be asked to take a lesson but you may also be asked to take an ability test, do a presentation or other work related exercise. You will be advised of any method being used for the post when called for interview.

Prior to interview you will be asked to complete a Criminal Records Self Declaration, any issues of concern arising from a reference and/or Self Declaration will be explored during the interview process. At interview you will also be asked questions related to your Personal Statement, safeguarding and promoting the welfare of children.

COMPLAINTS

The school is keen to ensure equality of opportunity in its recruitment and selection process. If you think that you have been discriminated against during the selection process on the grounds of your race, age, gender, marital status, caring responsibilities, gender re-assignment, sexual orientation, social class, religion, belief or disability you may make a complaint and we will investigate. If you feel you have been unfairly treated you must contact the CEO, in writing, within 3 working days of being rejected after an interview.
