

UK CanSat National STEM

We are thrilled to announce that this year marks a significant milestone for Glenthorne High School as some of our talented Science students reached the final stage of the UK CanSat National STEM Final, which took place from 16th to 18th April at York University. This achievement is particularly remarkable as it is the first time a team from Glenthorne has made it to the final round of this prestigious competition.

CanSat, short for "Can Satellite," is an exhilarating competition where students are challenged to design and build a fully functional satellite that fits inside a standard-sized soda can. Our students showcased their ingenuity, technical skills, and teamwork throughout the competition, demonstrating their commitment to excellence.

While our students did not secure the top position, they have much to be proud of. They successfully transmitted and received data from their CanSat in flight, a feat that sets them apart from many other teams. The judges recognized their exceptional graphing skills, and fellow teachers praised their impressive presentation abilities. As a testament to their achievements, all our students received the prestigious gold industrial cadet awards.

Spring Concert

On the last day before Easter, the Spring Concert took place. This was an outstanding musical event which showcased the exceptional musical talent at Glenthorne. It was such a treat to see so many students at Glenthorne performing in this concert and they should be extremely proud of themselves!

Congratulations

We are delighted to announce that one of our exceptional dance pupils in Year 11, Amelia has been offered a conditional place on the BA Modern Ballet degree course at The Royal Conservatoire of Scotland. Only 15 pupils in the UK have been offered a place, so this is an incredible achievement.

As well as this Amelia has also been placed on a short waiting list for the Royal Ballet Schools Advanced Associate programme.

Amelia is attending her final audition at Central School of Ballet shortly, so we wish her the best of luck!

Year 13 Exam Work Showcase

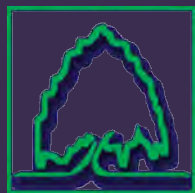

On Wednesday 17th April, our Year 13 A Level dancers performed all of their exam work for a showcase event. They each performed their solos which are based on a famous dance practitioner, their choreographies based on an abstract stimulus and their performance quartet based on the idea of Soldiers. They gave outstanding performances as did all of the dancers involved in their choreographies from Years 8-12. We wish them all the best for their final exam.

National Theatre Connections Festival

This week Glenthorne Drama Seniors also took part in the National Theatre Connections festival. Pupils from Year's 9 and 10 spent a day at the Lyric Hammersmith taking part in 'creating an ensemble' workshop run by the National theatre in the morning, followed by an afternoon of technical rehearsal. Pupils finished the day by performing the 'Back in the Day' written by Yasmine Khan. Pupils performed to friends and family as well as to a partner school and thoroughly enjoyed the experience.

Willow Menu for w/c 29th April 2024

Glenthorne High School WC 29th of April
