

Unit 8 Success Criteria

Revision Checklist

Task:

This unit is assessed through a task set and marked by the exam board. Learners will receive a commission for a media production. It will be released two weeks before a supervised assessment in order to carry out research activities into the subject. The supervised assessment period will be a maximum of six hours. The number of marks for this task is 72.

To achieve <i>Distinction</i> grade (along with the above):	Done?
<ul style="list-style-type: none">• apply a thorough knowledge and understanding of the pre-production process for media products developed with a specific justified medium in mind	
<ul style="list-style-type: none">• demonstrate an ability to interpret complex information provided and gathered, and use it to support their ideas	
<ul style="list-style-type: none">• demonstrate a thorough understanding of the relationships between commissioners, producers, products, production techniques and audiences in context and use this to inform their solutions to the commission that are effectively developed	
<ul style="list-style-type: none">• apply a range of media concepts creatively, and demonstrate a sophisticated understanding of the links between an audience's response to these solutions and the techniques chosen to develop their ideas	
<ul style="list-style-type: none">• be persuasive in communicating how they have fulfilled the requirements of the commission	
<ul style="list-style-type: none">• consistently justify their solution throughout with convincing reference to pertinent practice, evidencing this in the ability to clearly communicate developed ideas within a specific medium
