

# Music Must Know List

## Beats with Bach

Once you have completed this topic you should use the traffic light system to self-assess your understanding of the content at three points in your revision. Colour the boxes:

Green- I feel confident with this and will need a quick review before I am assessed

Amber- I feel less confident and need to spend more time with revision in this area

Red- I have no confidence with this and need dedicated revision time in this specific area

MUST KNOW	Review dates		
I know what/where the Baroque period is in the western music timeline			
I know who JS Bach is and what he has composed			
I know what DR T SMITH is in music			
I have an understanding of other Baroque composers such as Handel, Vivaldi			
I understand the similarities/differences between a Baroque orchestra and a modern orchestra			
I know what a harpsichord is and understand other Baroque instrumentation			
I understand that the musical elements (DR T SMITH) are used to describe pieces in the Baroque			
I understand how to compare and contrast pieces of music in the Baroque period			
I am able to define what a remix is in Music Technology			
I know what a sample is in Music Technology			
I know how to solo and mute tracks on Soundtrap			
I understand how to add samples to an existing track on Soundtrap			
I understand how to use the scissors tool to cut and paste different samples in a track on Soundtrap			
I can compose a remix of Toccata in D Minor on Soundtrap using samples			
I understand timing on Soundtrap and have used the metronome to keep samples/tracks in time with each other			
I know what structure I need to use to compose on Soundtrap			
I understand how to control the dynamics for each track on Soundtrap			
I understand how to add my own melodic ideas into my remix on Soundtrap
