

Model UN team shines at the London School of Economics conference!

Glenthorne won Best Small Delegation for the second year in a row at the Model United Nations conference hosted by the London School of Economics last weekend.

They showed impressive research skills while preparing for the LSE conference and even won an Honourable Mention for their research paper on the United Nations' Sustainable Development Goals by developing an action plan to provide safe and affordable housing for people living in slums.

Our brave Sixth Formers tackled a wide range of topics: from the creation of a European Army, migration out of African States, the drug trade in Latin America, to the 1956 Suez Canal Crisis and even a possible future Falklands War in 2027. Throughout a very intense three-day conference, they displayed magnificent debate skills and problem-solving abilities worthy of professional diplomats. Congratulations to Torin, Maddy and Henry who won their own individual awards.

Thanks to a new initiative at the LSE, James, one of the winners of last year's MUN, was able to join the conference on the organiser's side and worked hard alongside LSE students to make this event a success. His efforts earned him a well-deserved Excellence Award.

A huge congratulations to the whole team for their achievement!

Celebrating HOLI Day

In celebration of the vibrant Hindu festival of Holi, our school hub came alive with an explosion of colourful decorations. Holi, known as the Festival of Colours, holds deep cultural and religious significance, symbolizing the triumph of good over evil and the arrival of Spring.

As we basked in the colorful splendor of the decorated hub, we were reminded of the profound message of Holi – that love transcends barriers, and unity prevails over division. May the spirit of Holi continue to inspire us all, fostering harmony and togetherness in our school and beyond.

Yr8 Boys	Football	Oaks Park	Won 3 - 2
Yr8 Girls	Netball	Sutton League	Winners

Bar Mock Trial National Finals

Congratulations to the Bar Mock Trial Team for attending the National Finals at the Royal Courts of Justice on Saturday 16th March. It was a gruelling twelve hour day in which the team competed against twenty two teams from all over the UK. They performed exceptionally well and should be very proud to have made the finals out of over 138 teams overall. Huge congratulations to Sophia for winning the Best Usher prize!

Reading Champion Quiz

Congratulations to the Library's Reading Champion Quiz Team for competing in the National Literacy Trust's competition against twenty other teams on Friday 15 March! One of our teams came in 6th place overall which is a massive achievement! Congratulations to the team!

Borough League Winners!

This week the Year 7 and 8 Netball teams both participated in the end of season Borough tournament at St Philomena's School, with Year 8 coming first in their year group and Year 7 taking a respectable second place.

Before the tournament began, it was announced that the Year 7 and 8 teams had won the Borough League. This was not a surprise as neither team had lost a league match all season!

Their incredible achievement is a reflection of the hard work and dedication the pupils have shown to their training over the past 7 months. Well done to both teams!
