GHS COMPUTER SCIENCE
Digital learning for every mind

Year 9

Topic: Programming

Confidence key:

🔴	I do not know at all	🟡	I need more studying to fully understand	🟢	I know and understand very well

	Confidence		
Must know	🔴	🟡	🟢
I can produce a programme that takes an input from the user			
I understand how to input and store data within a variable			
I know how to take in multiple inputs at the same time (split)			
I know the different data types that exist and when they are used • Integers • Float / Real • Strings • Boolean			
I know how to change the data type of an input (cast)			
I understand what is meant by sequencing			
I can produce a programme that includes sequencing			
I can produce a programme that includes decisions			
I understand what is meant by iteration (loops) • FOR Loops • WHILE Loops			
I know how to use iteration within a programme • FOR Loops • WHILE Loops			
I know how to store data within a list			
I know how to access data in a list			
I know how to change (append) data in a list
