

World Book Day

This year, Glenthorne celebrated World Book Day with a week-long set of programmes in the library and through the English Department. These included badge-making, a spelling bee, boardgame creation, quizzes and much more. The dress up day on Thurs 7 March was a huge success. We had several amazing student and staff costumes to judge including Pinocchio, a Mad Hatter, Katniss Everdeen, a Very Hungry Caterpillar and many more. A winner will be chosen on Monday 11th March, thank you to everyone involved in making this event a roaring success!

Intermediate Maths challenge Showcases Year 9 & 10 Talent

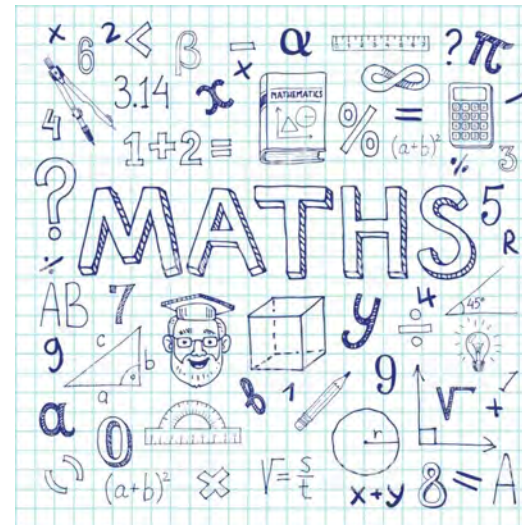

In a thrilling display of mathematical prowess, 81 of our Year 9 and 10 pupils recently participated in the Intermediate Maths Challenge. This event not only tested their mathematical skills but also served as a platform for showcasing their talents.

Among the participants, 9 outstanding pupils emerged victorious, earning prestigious gold certificates. Another 26 pupils showcased their aptitude by securing silver certificates, while 30 pupils demonstrated their proficiency by attaining bronze certificates.

However, the challenge wasn't just about winning; it was about engaging and learning. All participants received well-deserved participation certificates for their dedication and effort.

Furthermore, we are proud to announce that 19 of our pupils have qualified for the next stage of the competition: the Kangaroo Challenge. This is a testament to their commitment to pushing their mathematical boundaries and seeking new challenges.

Congratulations to all participants and wish those progressing to the Kangaroo Challenge the best of luck!
