

Battle of the Bands!

The inaugural Battle of the Bands concert took place on Thursday 2nd May and has proved to be even bigger than last year's competition. The quality of musicianship was incredible and blew the Heads of House and Director of Arts away, giving them a tough choice to pick a winner. Ultimately 'The Portraits' won with a performance of 'Nice Try', an original song written by Tyla and adapted by the members of the band.

Second and third place was given to '10&12' with a slick performance of Red Hot Chilli Pepper's 'Can't Stop' and last year's winners 'Spontaneous Combustion' with an incredible Queen medley. All bands have shown excellent musical progress from their first audition, to the semi finals and then the final event. It was also very impressive to see how many Year 7 and 8 pupils took part and showed such charisma and musical style. We are already looking forward to next year's Battle of the Bands!

Junior Maths Challenge: Fostering Mathematical Excellence

We are delighted to share with you an update regarding the recent Junior Maths Challenge, which took place on April 24th. This exciting event saw the participation of 123 enthusiastic Year 7 pupils, showcasing their mathematical prowess and problem-solving skills.

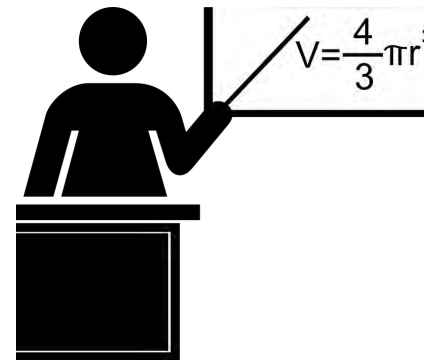

The Junior Maths Challenge is not just a competition; it's an opportunity for our students to immerse themselves in the world of mathematics, to explore, to challenge themselves, and to grow. It's about fostering a love for numbers, patterns, and logic that goes beyond the classroom.

For many of our students, this was their first taste of competitive mathematics, and we are incredibly proud of each and every one of them for rising to the challenge. Their dedication and hard work leading up to the event truly paid off.

While the results are yet to be announced, what truly matters is the journey our students embarked upon – the journey of discovery, learning, and growth.

We would like to thank all the staff who organized and supported the event, as well as to you, the parents, for your continued encouragement and support of your child's academic endeavours.

As we eagerly await the results, let us celebrate the spirit of curiosity, perseverance, and excellence that the Junior Maths Challenge has instilled in our students.

Planner design competition!

Success Criteria:

- ✓ Dimensions- design on A4 portrait plain white piece of paper
- ✓ Max. 4 colours, not including black and white
- ✓ School logo and name included
- ✓ Captures what the school represents etc. (Moto, clubs, lessons, playground, achievements etc.)
- ✓ Medium choose is optional (Can be created in any way. From computer to digital drawing to felt tip to collage to painting). Express yourself!!

Fine Art inspiration

We would like you to design the front cover of the planners for next year?

There will be one planner for the whole school. The person who wins the competition will win HPs for their House.

Think about the things that make Glenthorne such a great school and how you could include this in your design. Could you draw a journey through a school year?

Entries need to be handed to your Head of House by Friday 9th May. The winner will be announced in assembly & their design will be brought to life in the 2024-2025 planners!
