

Dear Parents and Carers

With the half-term break upon us, I hope all our pupils and their families can take this opportunity to rest and recharge. It is essential to have this time to relax and spend quality moments with loved ones.

However, I would like to remind parents and students in Year 11 and Year 13 that this period is also crucial for revision. Our teachers are committed to supporting our pupils during this important time and will be offering additional revision sessions throughout the break. Please ensure that your child takes full advantage of these opportunities to prepare for their remaining exams.

On a different note, we are aware of concerns regarding the cleanliness and replenishment of our school toilets. We understand the importance of maintaining a clean and hygienic environment for our pupils. To address this, we will ensure that all toilets are thoroughly cleaned and replenished before school starts, after the morning break, and after lunch. We appreciate your patience and cooperation as we strive to improve these facilities. Additionally, we would appreciate it if you could discuss with your children the importance of respecting the toilets and keeping them clean for everyone's benefit.

Thank you for your continued support. I wish you all a restful and enjoyable half-term break.

Best regards

Dr Peacock

Year 10 venture to West Wittering

On Monday 20th and Tuesday 21st of May, Year 10 Geography pupils spent a day on West Wittering beach. This was to complete fieldwork as part of the GCSE+ course, and to see for themselves some of the processes and landforms that had been studied in class. They were very lucky with the weather (particularly on Monday) and were able to enjoy the beach at its best. Pupils worked well and improved their understanding of coastal theory immensely. Well done to all of them for their hard work."

Reflections on Heritage Dress Day

We are pleased to share that the Heritage Dress Day was a great success. It was fantastic to see our pupils and staff wearing clothing that represented their diverse cultural backgrounds. The vibrant and varied attire brought a special energy to our school and highlighted the rich tapestry of cultures within our community. The day also provided a valuable opportunity for students and staff to share their heritage and learn about their peers' cultures.

Thank you to all parents and carers for your support in making this event possible and to those of you who encouraged your children to participate within the guidelines laid out by the school.

Online Safety Alert

Globally, there has been an increase in reports of children and young people being victims of financially motivated sexual extortion, often referred to in the media as 'sextortion'.

The National Crime Agency's CEOP Education have issued an alert to education settings across the UK in response to this threat. The alert will help professionals to understand financially motivated sexual extortion and to support children and young people.

Please find below the link for the alert information. Pages 5, 6 and 7 contains information specifically for parents and carers, which includes how to talk to your child about this issue and what to do if it happens to your child.

Community Clean-Up: Pupils take action in their local area

May 2024
Issue 98

As part of our commitment to fostering responsible citizenship and environmental stewardship, pupils from each house came together to clean up our local area. Armed with gloves, bags, and a determination to make a difference, our pupils took to the streets to pick up litter and tidy up public spaces.

This activity not only contributed to the physical improvement of our surroundings but also instilled a sense of pride and responsibility in our pupils. By actively participating in the upkeep of their local area, they demonstrated their dedication to making a positive impact and being active members of their community.

We would like to thank all the pupils who participated, as well as to the teachers and staff who supported and supervised the activity. Together, we hope to continue to nurture a sense of civic duty and environmental awareness among our pupils.
