

Mr Maxwell Honoured with British Empire Medal

We are thrilled to announce that our school librarian, Mr. Maxwell, has been awarded the British Empire Medal for services to education in the King's Honours list. This prestigious recognition highlights Mr. Maxwell's dedication and outstanding contributions to our school community.

Mr. Maxwell plays a pivotal role in ensuring our library remains a central and vibrant part of the school. His passion for education and tireless efforts to support our students and staff have made a lasting impact. We are extremely grateful for all that he does, from fostering a love of reading to creating a welcoming and resourceful library environment.

The entire school is incredibly proud of Mr. Maxwell's achievements and this well-deserved honour. Please join us in congratulating him on this remarkable accomplishment.

Institution of Mechanical Engineering

Emma, Riyadh, Kiera, Isla, and Gabriella recently participated in the SheCanEngineering Challenge held at the Institute of Mechanical Engineering in Westminster, and we are proud to announce that they won the overall prize!

Our pupils were tasked with building an electronic robot, which they then coded to complete various challenges. Their innovative and strategic approach to coding and robotics stood out among the competitors.

In addition to their work on the robot, the team also designed an impressive space station. This aspect of the competition required a blend of creativity, technical knowledge, and a strong understanding of engineering principles. Their design was not only functional but also visionary, demonstrating their ability to think critically and solve complex problems. Please join us in congratulating these outstanding young engineers on their well-deserved victory!

Yr9	Girls' Rounders	Oaks Park	Won 19 - 15
Yr10	Girls' Rounders	Oaks Park	Lost 12.5 - 9

Year 11s Complete Exams and Celebrate with Traditional Shirt Signing

This week, Year 11 pupils reached a significant milestone by completing their GCSE exams. To mark the end of year 11, our pupils participated in the tradition of signing each other's shirts, celebrating the end of an important chapter in their academic journey.

While the exams are now behind them, we have more events to look forward to. The Leaver's Assembly will take place on the 8th of July, followed by the much-anticipated Prom that same evening. Both events provide a wonderful opportunity for our pupils to reflect on their time at school, celebrate their achievements, and create lasting memories with their peers.

We extend our congratulations to our Year 11 pupils for their hard work and dedication throughout their studies. We look forward to celebrating their successes at the upcoming events and in the summer when they receive their exam results.

Year 12 - Post 18 Destinations Evening

On Wednesday 22nd May, we welcomed all Year 12 students and their parents to school to discover more about their post-18 pathways. We had two talks, one about university options, explaining the UCAS process and how to make decisions about university and course, and another talk about apprenticeships. As a Sixth Form, we have signed up for a pilot scheme, Early Connect, which aims to link Sixth Form centres with local employers offering apprenticeships, so we hope many of Year 12 students take advantage of these opportunities.

We wish all our Y12s luck as they begin to decide upon their destinations once they leave Glenthorne.

Yr10 Photography trip

The Year 10 Photography pupils visited the Victoria & Albert Museum on Thursday 13th June.. The trip was a huge success, as pupils gathered research, and documented key works that will go towards their Photography Coursework.

Uniform Update

With warmer weather forecast for the coming weeks we will be moving to our summer uniform from 24th June
Summer Uniform Guidelines:

1. Blazers: Pupils are not required to wear blazers or bring them to school.
2. Shirts/Blouses: Pupils may wear for short-sleeved shirts or blouses.
3. Socks: Tights can be replaced by white ankle socks.
4. Skirts: Skirts must be worn at knee length.

In addition to these changes and following consultation with the Governors, the Parents' Council, and the Student Council, we have decided to remove skirts from the school uniform list effective from September 2025.

This decision is in response to ongoing issues with pupils not adhering to the school rule of wearing their skirts at knee length. Constant reminders and sanctions related to this matter can lead to negative interactions between staff and pupils. By removing skirts from the uniform, we aim to eliminate this potential area of conflict, fostering a more positive school environment.

We appreciate your understanding and support as we implement this change.

What's coming up

Glenthorne High School Music Department is proud to present
