

Opening of the new MUGA Pitches

We are thrilled to announce the opening of several new outdoor spaces that will enhance our school's facilities and provide additional opportunities for our students. These exciting developments include:

- **A 4G Multi-Use Games Area (MUGA) Pitch:** This state-of-the-art facility will support a variety of sports and activities, offering pupils a high-quality surface for games such as football, hockey, and tennis.
- **Two Additional All-Purpose Pitches:** These new pitches will accommodate a range of sporting activities, providing more space for team sports and physical education classes.
- **An Outside SEND Quiet Area:** Designed to offer a serene and supportive environment, this space will be dedicated to pupils with Special Educational Needs and Disabilities (SEND), providing a calm area for relaxation and reflection.
- **New Seating Areas:** These newly installed seating areas will provide comfortable spaces for pupils to gather, socialise, and enjoy breaks.
- **Refurbished Year 7 and Basketball Courts:** The refurbishment of these courts will enhance the facilities available to our younger pupils and support our basketball program.

These improvements are designed to enrich our students' educational experience, promoting physical activity, social interaction, and overall well-being.

To help us maintain these new areas in excellent condition, we kindly ask for your support in encouraging students to:

- **No eating or drinking** on these new surfaces to prevent damage and maintain cleanliness.
- **Take extra care** when using the facilities to ensure they remain in good condition for everyone's enjoyment.

Your cooperation in helping us preserve these valuable resources is greatly appreciated. Together, we can ensure that these new facilities continue to benefit our school community for years to come.

Year 8/9 Welcome Evening

Wednesday 2nd October

Year 7 intake for 2024-25

Since the start of term Year 7's have made an excellent start to their secondary school journey. They have shown great enthusiasm and adaptability as they have settled into their new environment. Despite the challenges of navigating a larger school and managing a more complex timetable, they are quickly embracing new routines and responsibilities.

Their eagerness to learn, participate in class, and engage with extracurricular activities has been evident and staff are pleased with the progress they are making. It was particularly pleasing to see so many Year 7's auditioning for the whole school production. Involvement in extra-curricular clubs helps pupils to build new friendship groups. All pupils will have an opportunity to attend the extra-curricular fair on Thursday 26th September and explore the wide range of activities on offer.

Glenthorne does World Clean Up Day

Following last years success, the House system has organised a whole school “clean up” event as part of World Clean Up Day - a global event to clean up the environment and help address the waste crisis.

www.worldcleanupday.org

With a pair of gloves, a few bin bags and a can-do attitude, we are encouraging our pupils to clean up their local area. Family and friends are welcome to help, as every single person contributing will help to improve the local and the far global environment.

All you need to do is send a picture(s) of your child taking part to your Head of House by Wednesday 25th September.

Morris – Mr Ottoway – jot@glenthorne.sutton.sch.uk
Rollason – Miss Homewood – chd@glenthorne.sutton.sch.uk
Turing – Mr Cruchley – acr@glenthorne.sutton.sch.uk
