

Extra-Curricular at Glenthorne High School.

Extracurricular activities are a vital part of school life, offering students opportunities to explore their interests, develop new skills, and build lasting friendships. These activities are especially important in generating a strong sense of belonging, as they help students connect with others who share similar passions, fostering a supportive and inclusive community.

On Thursday lunchtime, Heads of House and subject areas hosted an extracurricular fair, allowing all pupils to explore the wide range of activities and clubs the school has to offer. We encourage parents to take some time to discuss the opportunities listed below, with their children, and to motivate them to try something new!

Saturday Schools

Every Saturday, Glenthorne High School becomes a vibrant centre for creativity through its Arts One program, which offers pupils the chance to dive into the worlds of dance, drama, and music. These clubs—Dance, Drama, and Rocks—are designed to nurture pupils' artistic talents and provide a platform for self-expression.

The Dance group focuses on a variety of styles, from contemporary to hip-hop, allowing pupils to develop their technique and explore choreography in a supportive environment. It's a space where passion for movement and rhythm can flourish.

The Drama group offers budding actors and playwrights the opportunity to hone their skills in performance and storytelling. Through engaging workshops and rehearsals, pupils are encouraged to express themselves, build confidence, and collaborate with others who share their love for the stage.
