

Small SCITT – huge knowledge base

We have had a very positive three days with the Ofsted team, who have thoroughly reviewed our SCITT provision. The focus was ITaPs, mentoring & SEND and a range of schools, leaders, trainees, mentors and Headteachers took part in the thematic monitoring visit. It was recognised we have a strong provision in both primary and secondary and everything we do is rigorous and carefully thought through. We recruit high calibre trainees who are supported by mentors who go 'above and beyond'. Our research is carefully chosen to have impact on the trainees and thoroughly prepare them for the ECT years and beyond. The feedback has been overwhelmingly positive, and we are very proud of the hard work and support we have from everyone involved in our partnership.

A huge thank you to all our partners who make the SCITT what it is. This week we are celebrating 10 years as a successful teacher training provider.

2024/25 SCITT Graduates

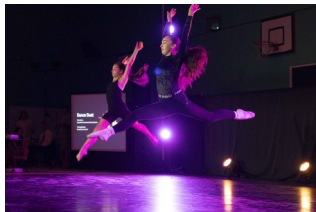

This week 44 newly qualified teachers graduate from Sutton SCITT which is based at GHS. Well done to these new teachers and thank you to colleagues and mentors who have supported them this year.

Important Update: Sports Day 2025

We regret to inform parents and carers that Sports Day will not be taking place this year.

This decision has been made due to circumstances beyond the school's control. Our usual venue, the David Weir Leisure Centre, is no longer accepting school bookings during the summer term. The centre is now leased by a football club, and unfortunately, this has created a conflict of interest that prevents school access.

This is particularly disappointing, as the school has used the David Weir Centre for over 25 years, and it has always provided an excellent space for pupils to participate in a wide range of athletic events. At present, there is no secure or suitable alternative venue within walking distance of the school that can accommodate an event of this scale.

We have raised our concerns with the local MP, and we are awaiting further feedback. Moving forward, if the David Weir Centre remains unavailable for summer term use, the school will begin exploring alternative venues, though these are likely to be further afield and may require additional planning and transport arrangements.

In the meantime, with warm weather forecast to continue into the final week of term, pupils will continue to be permitted to wear their PE kit to school for comfort and practicality.

We appreciate your understanding and continued support.
