ARTSONE ROCKS!

is one of the leading platforms for young musicians in the borough. Led by a team of professional musicians, students from KS2 up to KS5 learn to sing, play guitar, bass, drums and keys in exciting and progressive sessions. The ArtsOne ethos is to challenge our young musicians to achieve standards they didn't think possible! Each week we learn a new song, often from a specific album project, which students learn in the first hour, and play together in a band in the second hour.
